BRONZE MEDAL FOR ALTONA MAN

Daniel Cook, storeman, aged 35 years, of Altona, has been awarded a bronze medal by the Royal Humane Society of Australasia for his brave act in rescuing his son, Ross, aged 3½ years, from their blazing home on January 20 last.

Cook was asleep, about 12.30 a.m., when he was disturbed by noises and found the lounge-room well alight.

Calling an alarm, he ran to an extension of the hallway that was curtained off to form a bedroom for his two children, Ross and Leslie, aged six years. As he could not carry both children, he took Leslie, his daughter, and ran straight up the hall to a room occupied by a boarder. The boarder helped out three children from an adjoining room—and when Cook returned for Ross he had to rush through the blaze which had spread across the hallway from the open lounge door.

Cook picked up Ross, turned his back to the lounge door, and edged his way out the front door. He was then able to help his wife through their bedroom window, and arouse another person on the other side of the house.

The house was a wooden dwelling, about 25 years old. Cook and his son were both

badly burned on limbs and body. One man, a friend, died in the lounge.

MERCY MILK RUN

Collectors in both Altona and Laverton have been picking up money boxes for the "Mercy Milk Run" appeal.

More than £20 in Laverton and £60 in Altona has already been counted from the boxes received by dairies.

Residents who may have been out when the collector called and who are still holding money boxes would greatly assist the milkmen who are voluntarily assisting the appeal by returning the boxes to the dairy in Railway Ave., Laverton, or Bracken Gve., Altona. Phone 68-0438 Laverton, or 65-8528 for Altona.

FIREMEN VISIT THE REFINERY

Members of the M.F.B. extinguish a blazing tanker with foam during the exercise at the Altona Refinery.

Chief Fire Officer of the Metropolitan Fire Brigade, Mr. J. Paterson, congratulated Petroleum Refineries (Australia) Pty. Ltd. after he had seen a demonstration of refinery fire fighting techniques.

"These men do a good job," he told Mr. P. S. Parkin, general manager of the refinery. With Mr. Paterson at PRA were 65 officers and men from Metropolitan Fire Brigade Stations throughout Melbourne.

They were guests of the refinery at a demonstration of fire fighting techniques, which

included the extinguishing of various sorts of oil and other flammable liquid fires and the versatility of equipment.

Following the demonstration by the refinery fire fighting team, a team from Altona and MFB Headquarters also showed its ability in extinguishing similar fires.

Using modern equipment, both the refinery and MFB teams forcibly demonstrated their abilities in meeting, and extinguishing, the fires.

The MFB personnel brought four units to the demonstration—these were two hose carriage pumps, one Rolls-Dennis pump, and a 1100 gallon tank unit.

At the completion of the demonstration, Mr. Paterson thanked the refinery for conducting the demonstration, which showed the use of their equipment and the training drill carried out by the refinery team.

He also thanked Mr. Parkin for an offer to the MFB to use the refinery fire fighting training ground at any time.

Mr. Paterson said that he would take advantage of this generous offer; it was too good to refuse.

"By demonstrating fire fighting abilities, the refinery fire fighting team and the MFB, will I am sure, have a better appreciation of each other's equipment and abilities, and work closely together should there ever arise an occasion when their combined services would be required."

"From equipment and facilities we have seen today, and by getting to know the refinery personnel, I feel sure that we can add greatly to our efficiency in dealing with any situation at the refinery and that we have cemented a close and desirable relationship," Mr. Paterson added.

FATHER AND SON NIGHT

Evidence Called for on Third University

Interested persons and organisations are invited to submit to Altona Council without delay written submissions on the Explosives Reserve site for the third university.

The evidence must be in the hands of Shire Secretary Mr. J. W. Waters by July 14.

All evidence will be submitted to the Third University Promotion Committee at its meeting on July 16.

The public relations firm of Eric White Associates Pty. Ltd. has been retained by the council to prepare the case for the Explosive Reserve site.

All correspondence and articles published in newspapers and letters to the Shire Council on the matter are being collated for inclusion in the evidence.

When the Minister of Education (Mr. Bloomfield) named the committee he said he expected the committee would submit its recommendations on the site within two months. He anticipated a list of sites, marked with priorities. The new university will be sited in the Melbourne metropolitan area, within reasonable distance of the city and near public transport.

The committee will advise the Government on—

- The site, preliminary planning and layout of buildings.

- A detailed developmental program for the period up to appointment of a university council.

- The extent to which residential accommodation will be required.

- Appointment of an academic planning board to advise the committee on academic matters.

- Selection of executive or administrative officers, during the developmental stage.

- The form of the executive and administrative structure to be provided in legislation to be submitted to Parliament.

- Other matters referred by the Government.

Eric White Associates is the public relations consultants retained by Petroleum Refineries, Altona Petrochemical Company and Australian Synthetic Rubber.

They are also engaged on promotion of the Lord Mayor of Melbourne's World Fair proposition.

TWO PLAYERS SUSPENDED

GEOFF EWEN of Altona who was reported for striking R. Jones of North Melbourne was suspended for the next two playing matches of his club by the WFL Tribunal last night.

R. JONES of North Melbourne was suspended for one week for failing to appear and give evidence to the tribunal and will continue under suspension until he has notified the League in writing the reason why he failed to appear.

Naturalisation Ceremony

The Shire President, Cr. G. den Dulk, J.P., will be conducting a Naturalisation Ceremony in the Council Chamber on Thursday, July 16, 1964, at which 30 candidates for citizenship will be naturalised.

The High School Mothers' Club is attending to the catering when candidates and their friends will be, entertained by the Shire President in the President's Room.

LIBRARY STARTED

Mr. L. C. Noordenne has already commenced construction of the new library building in Queen Street, Altona. It is expected to be ready for occupation in eight months time.

Unlicensed Driver Fined

For driving while unlicensed a motorist was fined £5 and ordered to pay £3/4/4 costs at Williamstown Court yesterday.

Two other charges, failing to keep as close to the left as practicable and driving in a manner dangerous to the public, were dismissed.

Brian Percival Rawson, of First Avenue, Altona North, pleaded guilty to the unlicensed driver charge and not guilty to the other two charges arising out of an accident on January 30.

Edward Dean, of Seagull Avenue, Altona, told the court that at 9.45 p.m. on January 30 he was driving north along Millers Road on his way to pick up his wife in Tottenham. There was very little traffic on the road and he was doing 30 mph. A car approached him from the opposite direction and when about 100 yards away came over to his side of the road. Dean thought the car was going to make a right hand turn or park so he slowed down then applied his brakes, but the other car ran into him.

The accident happened almost in the centre of the road and Dean's off-side front wheel was about one foot over the centre line after the accident. He thought his car moved about one foot after the collision.

In reply to Mr. Cannon, who represented the defendant, Dean said just on the moment of impact he pulled his steering wheel to the right. First Constable Jewell and

Senior Scott attended the accident which was approximately 150 yards south of Mason Street. First Constable Jewell told the court Rawson told him he intended to turn left into Mason Street, but saw a car approaching and then they collided. He said he was on his correct side.

Asked if he knew he had driven past Mason Street, Rawson said, "No, have I?" He said he had been drinking, having about six beers at a friend's place. He said he was licensed, but Jewell produced an extract showing Rawson was not licensed at the time.

Senior Scott, of Bendigo, formerly Footscray, said after seeing the cars at the scene of the accident he went up the road where he saw Rawson sitting on a culvert. Rawson was chewing something and when asked what, Rawson said it was a lolly as he had had a few drinks. Rawson answered his questions quite well.

First Constable Thompson of the Breath Analysis Section said he interviewed defendant in Millers Road and took a blood sample at approximately 10.30 p.m. It showed .200 per cent. which

would require 13-14 glasses of beer. He did not take much notice of Rawson's condition as he had a bad laceration over his eye and was obviously shocked.

Mr. Cannon submitted that there was some doubt as to where the collision took place. The only evidence against Rawson on the dangerous driving charge appeared to be that he moved to the wrong side of the road and allowed the accident to take place. Both the witness and police said the accident happened near the centre line.

Mr. E. J. Danaher, S.M., said he did not have sufficient reliable evidence on the defendant's driving. The defendant was injured in the accident, one of the constables said he was not affected by liquor. The dangerous driving charge would be dismissed.

The evidence was not particularly satisfactory as far as failing to keep to the left was concerned. Mr. Danaher said he had a doubt in his mind about the matter and would give the defendant the benefit of the doubt and also dismiss the charge.

On the unlicensed driver charge, Mr. Cannon said his client held a three year licence which expired in December, 1963. Rawson had changed his address and by not receiving the notice of expiry did not realise it was overdue. He was fined £5 and ordered to pay £3/4/4 costs.

EDITORIAL

THE ROSE

The rose is of flowers the Queen. Of that all agree.

"The rainbow comes and goes and lovely is the rose" contains that which is echoed by many another poet.

Of many flowers it can perhaps be said "you see one—you have seen all." When you have seen a rose you have seen but one rose.

The beauty of the rose family in part lies in its infinite variety.

Each flower has a character all its own. More, what other flower has so many pleasing aspects from its budding to its fullness.

What if a rose has thorns. They are but "black spots in nature to make its beauty felt."

Sure beauty does not come lightly. It is the result of nature aided by much thought and carefree attention. The soil, the rose bush, the planting, the pruning and the varied attentions are labours of love to produce a lovely thing. How pathetic is a neglected rose bush.

Life is not a basket of roses to most of us.

But if our lives by Providence are to come to full fruition we can learn many lessons from the rosarian.

Bad tendencies should be hard pruned, good wood encouraged and the water shoots (our talents) nurtured. Shoots from the briar stock must be cut out. In fact almost every attention given the rose has its own part in our lives.

We can be a neglected rose bush or blossom as the rose with our individual talents and characters.

After all a rose in a cottage garden can bloom in perfect beauty as well as one in a stately home.

HIGHLIGHTS FROM BOWLING CLUB ANNUAL REPORT

Following are highlight taken out of the report presented at the annual meeting of the Altona Bowling Club by the secretary, Mr. W. Monkhouse.

During the 1963-64 year great progress was seen in the Altona Bowling Club. Present membership is 116 full members and 92 associates.

In August 1963 details were finally completed of a 21 year lease of the bowling green property from Altona Shire Council. Recently the council also agreed to lease the club more land north of the present greens. In September a certificate of registration as a licensed club was obtained.

Able led by President Mr. George Russell, the committee has functioned very successfully throughout the year and it is mainly due to the manner in which they carried out their duties that the club has achieved such success.

Sub committees have worked well but it is suggested it would be even more effective if regular meetings were held and activities and resolutions recorded and passed on to the general committee.

Although the greens have been better grassed than ever before they have never really been fast, therefore, consideration must be given to improving the drainage to No. 1 Green.

Teams competing in the pennant games last season all finished near the middle of their sections.

Particularly in view of the Sunday licence consideration should once again be given to playing competition bowls on Sunday mornings.

The club's first open men's rink tournament held last March proved a great success. It is hoped to continue this as an annual event.

Another innovation was the special tournament for the Altona District Hospital. It is hoped to make this also an annual affair on Hospital Sunday.

With the increasing popularity of indoor bowls another mat has been purchased. Four teams played pennant during 1963 but six teams are entered in the present series.

During the year the associates worked hard to raise £500 towards general funds. Their No. 1 Team is to be congratulated for finishing as runners up in their section.

Monthly socials have been well supported and thoughts are turning to other pastimes in addition to dancing to attract members to these regular Saturday night social events.

Attendance has been disappointing. Despite approximately 120 meeting notices being sent to members, attendance averages just above the 20 mark.

Special thanks went to the president, George Russell, who has been a tower of strength, Alan Shaw for his capable assistance, treasurer Glen McNeillage, who has kept the money side of the club in order and the House Committee and others who have helped in the bar.

In conclusion Mr. Monkhouse appealed to all members particularly the newer members to continue to work for progress of the club. He said, "You are now in a position to become the biggest and best club in Melbourne with provision for 28 rinks, a club house as large as you want to build, adequate parking facilities and a licence to ensure your financial position."

On the completion of a successful two year term as president (the maximum term allowed under the constitution) Mr. George Russell presented the following addendum to the annual report—

"I wish to record my thanks and appreciation to the office bearers, committee and members who have given me such wonderful support over the past two years."

"Our honorary secretary (Mr. Monkhouse) has given to this club a service of which every member is deeply appreciative."

"A special thanks to the ladies of our club who so ably helped with the festive arrangements at our opening days pennant and social events and financial assistance over the past two years."

"In conclusion may I extend my personal thanks to the committee, sub committees and members and associate members for their loyalty and support and sincerest congratulations on the splendid two years which only they have made possible and may I take this opportunity of wishing the club and all its members a brighter and more prosperous season for 1964-65."

HISTORICAL SOCIETY MEETING

The next meeting of the Altona Historical Society will be at the Society's rooms in the Homestead, 128 Queen Street, Altona, on Wednesday, July 15, at 8 p.m.

ALTONA PRIMARY SCHOOL NEWS

The school is most fortunate in having a very active and hard-working Mothers' Club. The club members conducted a most successful bazaar on Saturday.

The profit will be in the region of £205. The members wish to thank parents who contributed an excellent array of goods for the stalls.

In addition to supplying many items of equipment and library books the club recently purchased a piano for the senior school.

Miss A. M. Ridsdale, Infant Mistress, has been appointed Deputy Director of the Infant Mistresses Seminar, to be held during the vacation.

Mr. D. F. MacKenzie, a valued senior member of the staff, has received notice of his transfer to Doveton, near his home.

During July the school will be collecting rags for the State Schools' Relief Committee. This committee is most active in providing clothing for underprivileged children in our schools.

We have pleasure in acknowledging two donations to the school library—

Delmans Pty. Ltd., Pier St., Altona, £5/5/-; and a parent who wishes to remain anonymous, £5.

The school committee has applied for subsidy on equipment items to the value of £503.

COUNCIL TO BUY NEW LOADER

Tenders are to be invited for the supply of a new Drott Loader to the Altona Shire Council.

With the continuation of the progressive private street scheme in the Shire and the entering of the second phase which is basically provision of pavements and channels, a vast amount of excavation work will be required. The council's Drott Loader will not cope with this work and it will be necessary to hire a heavier type machine.

Therefore, the Shire Secretary, Mr. J. W. Waters, considers the time is opportune to trade in the existing loader for a more satisfactory and larger machine. Trade in value of the old machine is expected to be £4000 on a new £11,000 machine.

Council agreed on the necessity for a more satisfactory loader and tenders will be advertised.

Safety Award for Union Carbide

Mr. Collocott, president of the National Safety Council of Australia, is pictured presenting the pennant to Crighton Morton, representing the Operating Section, and Gerald Middleton, representing the Maintenance Section.

Flying proudly from the flag pole at Union Carbide Australia Limited's Polyethylene Plant in Maidstone Street is the National Safety Council's pennant, awarded this week to the factory for achieving 100,000 manhours without a lost time accident.

Mr. A. J. Collocott, president of the National Safety Council of Australia, who presented the award, said it gave him great pleasure to come along on an occasion of this kind and meet the people responsible for achieving such a fine record. The men in their awareness of possible dangers at work carried this awareness and regard for the safety of others both onto the road and into their homes. Such a high standard of safety brought about a high standard of efficiency and had far reaching effects both on the economy of the company and as an example to our children in having regard for the welfare of our fellow workers. Mr Collocott then congratulated the management on bringing the safety message to their employees and requested them to "keep up the good work."

Mr. Carmichael, president of the Victorian Division of

the NSC, then presented a certificate to Mr. P. C. Perry, works manager. Mr. Perry remarked that the award was very dear to his heart, but only the first step on the road to our future performance, and that this performance could only be achieved with the co-operation of everyone—we are certainly getting that co-operation in this factory, he added. Mr. Perry announced that the maintenance group had achieved one years accident free performance and the office and canteen groups were coming up to 1000 days without a lost time accident. Already in the plant's history three shifts and the maintenance section had achieved one year of accident free performance and several local charities had benefitted at a result. The company donates £25 to any group reaching 365 days without a lost time accident to be donated to the charity of their choice.

KIM RESERVE TO BE EXTENDED

Kim Reserve in Millers Rd. is to be extended.

Altona Shire Council has agreed to purchase approximately 3½ acres of land at the rear of the Reserve from Seaholme Housing Estates.

Purchase price for the undeveloped land was £1000 per acre.

SPECIAL SERVICE FOR SUNDAY SCHOOL

Next Sunday afternoon, July 12, a number of children from St. Eanswythe's Sunday School will be going to a special service at St. Paul's Cathedral.

The service, which begins at 3 p.m., has been arranged for the official handing over of the Missionary collections made by the children during Lent. Children from all over Melbourne will be attending.

YOUNG WIVES

St. Eanswythe's Church of England Young Wives Group will be holding their July meeting next Tuesday, July 14, at the Parish Hall, beginning at 8 p.m.

The main activity for the evening will be an address by Miss Anna Maria Ardossi, who worked in Rome for a time, arranging diplomatic appointments for the Ghanaian Ambassador. Miss Ardossi will speak about some of her experiences and observations in Rome.

"THE HOP"

"The Hop" will be on at St. Eanswythe's Church of England Hall in Queen St., Altona, this Saturday night, July 11.

All ages are invited to join in the dancing, including Rock 'n' Roll, starting at 8 p.m. Members of the Werribee Youth Fellowship have been asked to come along. Entrance donation will be 4/- and supper will be provided.

BOWLING CLUB NEWS

The next social for the Altona Bowling Club members will be this Saturday night, July 11.

Winners at indoor bowls last week were—Wednesday, Mick Deegan (s), Win Neal, Dane Nicholls and Joy Deegan; Thursday, Win Neal (s), Harry Blair, Dot Watson and Joan Milliken; Sunday, Tom Mitchell, George Snowden, Harry Woodyard and Gloria Thornycroft.

Birthday greetings to Phyl Stephens and Marj Richardson.

Congratulations on their wedding anniversary to Roma and Jack Shaw.

Ladies are reminded that gifts for the bazaar may be left at the club at any time. The bazaar will probably be held in November.

GRANDPARENTS

Mr. and Mrs. Tom Cugley, of Blyth Street, Altona, became grandparents for the first time when their daughter and her husband, Lynette and Joe Azzopardi, became the proud parents of a baby boy, Paul Charles, born at Williamstown Hospital on July 3, 1964.

SPORTING BODIES MEETING

The Altona Sporting Bodies will hold a meeting on Tuesday, July 14, 1964, at 8 p.m. at a Roly Bottomley's, High St., Seaholme.

FASHION PARADE

The Laverton Armstrong Street Mothers' Club are having a Fashion Parade on Friday, July 10, at 8 p.m. at the school.

Admission is 3/- and children half price. Supper will be served after the parade.

CARD EVENING

The next crazy whist evening at the Altona High School in Civic Parade will be this Friday evening at 8 p.m.

A small entrance fee is to be charged and prizes are given for highest and lowest scorers. At the conclusion of the game supper is served.

10-PIN BOWLING SOCIAL NEWS

Members of the Central Hotel Ladies 10-Pin Bowling League were pleased to see president Bon Noone, looking fit and well on her return from her Interstate visit last week.

The League's visit to "It Could Be You" turned out to be a profitable outing for two lucky members — Lorna Thomas was chosen to participate in the "Four Leaf Clover Quiz" and Edna Taylor as the recipient of a goodly size parcel of groceries.

Both Tommy Hanlon Jun., and Jack Little expressed interest in the League as both identities are keen 10-Pin bowlers.

ALTONA SPASTIC AID

An open invitation is given to all who have supported the Altona Spastic Aid Committee in raising funds to assist the local spastic children and adults who attend Chis-Lon to attend the next meeting, which is to be held on Tuesday, July 14, at 9 Upton St., commencing at 2 p.m.

Mrs. Andrews, secretary/supervisor of Chis-Lon will attend and will talk about the work done at the centre.

During the afternoon a cheque will be presented to Mrs. Andrews by the president, Mrs. McGregor. Afternoon tea will be served.

The committee would appreciate any old nylon stockings. These are laundered and plaited together and used to tie the children to their chairs. They are soft and will stretch and can be easily laundered. Nylon strips of any kind can also be used.

Since the last meeting the committee members have suffered bereavements in the passing of our beloved member Mrs. O'Shannessey; Mrs. Shields in the passing of her sister; Mrs. Winder, loss of her grandson; Mrs. Oakes nephew, Graeme Hancock, who was 19 and died as a result of a car accident 14 weeks previously.

ALTONA R.S.L. EUCHRE TOURNAMENT

Starting next Monday night the euchre tournament will commence with jackpot and aggregate prizes.

The aggregate prize will run for six weeks.

The jackpot prize will be paid out to the player winning 12 games during the same night.

This prize will be limited to £30.

The club will welcome new players and it is pointed out that a player does not have to be a member of the RSL to play.

Winners this week were 1st: A. Burnt; 2nd: Mr. Snowling and Mrs. Bonnett.

THANKS FROM Cr. G. den DULK

At the last council meeting Shire President Cr. G. den Dulk expressed his gratitude to councillors and residents of the Shire for their assistance during the past six weeks when he was campaigning for the Southern Seat in the Legislative Council.

He said his first duty is to Altona, but over the last two months this had not been possible. He said residents realising he had to spend so much time out of the municipality had refrained from calling on him and in this way lessened the work he is called on to carry out. Councillors had been of tremendous assistance to him and now with the elections over he could again give his full time to Altona.

C.W.A. MEETING

The Altona Branch of the Country Womens Association will meet next Monday afternoon, July 13, at 1.30 p.m. in the Homestead, 128 Queen Street, Altona.

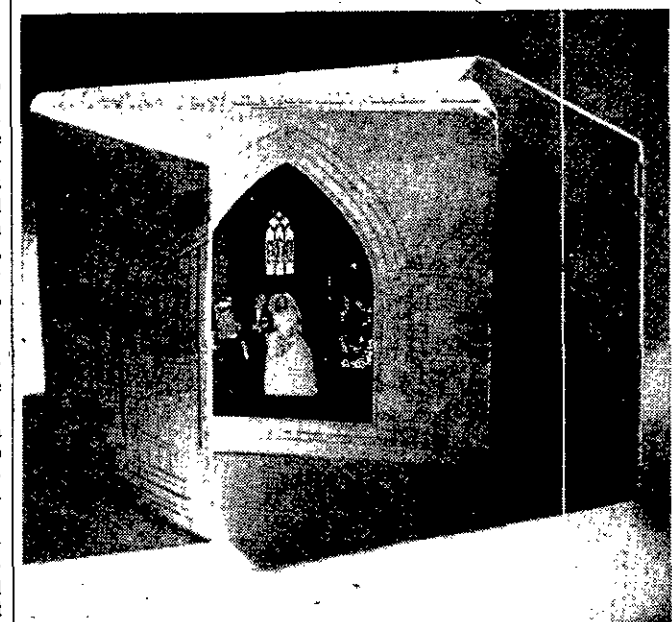

Members are reminded that competitions will be for the prettiest tea towel and the best bloom.

SPORT

SPORTING PERSONALITIES PAST AND PRESENT

No. 43—FRANK NIELSEN—Football.

Australian Rules Football in recent years has not been played in many places outside of Australia, but in November, 1945, a game between a team from the HMAS Australia and the Royal Australian Air Force took place at Dulwich in London, at the Polytechnic ground.

Frank Nielsen, who has been an Altona resident for many years, played with the Navy team which defeated the RAAF team 11.12.86 to 10.5.65. It was Nielsen's first competitive game of football. The RAAF team included the outstanding South Australian forward, K. Farmer, who, at the end of 1954, had kicked a total of 1418 goals in 224 games.

When he returned from overseas, Nielsen joined Altona for the 1946 season, and under the coaching of Gordon Timmins, the team won the Footscray District League premiership.

In 1947 Nielsen signed with Footscray and played the season for the 2nd XVIII.

During 1948 Nielsen played part of the season at Footscray and then transferred to Brunswick in the Association, a team he went on to represent in 152 games.

As a ruck and back pocket player Nielsen had 100 games to his name in 1953, and the same year he earned selection in the State team which went to Adelaide to play in a carnival, which also included State League teams.

Brownlow Medalist Roy Wright, of Richmond, and Jack (Chooka) Howell, of Carlton, were two opponents Nielsen had to contend with in this series.

Also in 1953, Nielsen captained a North Side of the River team against a team from the South Side; it is thought to be the only time a match of this kind has taken place in Association Football.

For three years, 1952, 1953 and 1954, Nielsen captained Brunswick and during his time with the club was runner up in one best and fairest award, and on another occasion he was nominated as their most serviceable player. He had also played the third most number of games with the club at the end of 1958.

While playing Wednesday football, Nielsen captained the Police XVIII from 1955-57, and in 1956 the team went through undefeated, and among their victories was a win over the Adelaide Police team. On the trip back from Adelaide the team stopped off at Portland and defeated the local team, who were the premiers in their district that year. The Portland team was led by former Brunswick and Carlton rover, Jack Spencer.

Before he retired from football, Nielsen returned to the Altona XVIII as captain and coach for three seasons from 1958 to 1960. And in that time the team were never out of the four, and runners up on two occasions.

Football as a sport was probably a natural for Nielsen as his father was a former Footscray player and he put in 14 years with that team when they were both in Association and later League football.

The total number of games played by Nielsen would be past the 300 mark and it is fairly certain that if he had his chance to compete again in sport, football would be his choice.—STAN CLEGHORN.

NEWPORT AND DISTRICT MOTOR CYCLE CLUB

Some good racing was seen last Sunday at the old Williamstown Racecourse when another round of the club championships was held.

The 350 and 500 races were closely fought, with Alf Barrie leading in the 350 until his carburetor broke and Karl went on to win.

Karl also won the 500 and Wayne Pendlebury, out for his first ride on the Goldie, won the handicap. Bob Beeson made Karl work hard to win, and Duncan MacFarlane showed real skill on a less competitive machine to chase them home.

KOORINGAL GOLF ASSOCIATES

ALTONA HOCKEY CLUB NEWS

C Grade in shock defeat

Last Saturday was a day suited poor hockey, but Altona again came through with six out of seven teams winning their respective games.

The main highlight of the day was the shock defeat of the unbeaten C Grade, which went down to Essendon at home. Only A Grade and Under 14 maintained their unbeaten run after 12 games.

TEAM REPORTS

A GRADE

Playing at Fairfield under trying, muddy conditions, Altona played with more determination and purpose than they have for some weeks.

Being able to control the ball far better than the home side in the mud, Altona were on top for most of the game which was spoilt with ignition of frayed tempers, causing players of both teams to be sent off the field.

At the half time interval Altona were one up, after a goal scored by Ron Smith, who was on the receiving end of a nice pass from Doug Stevens at outside left.

The last half opened with the visitors again moving into attack, but good play from the Fairfield backs repelled these attempts at the net. Altona were not to be denied and continued to attack until Ron Smith again came good with excellent ball control and brought off a beautiful shot from the right wing back corner of the circle into the goal.

Two minutes from the finish Fairfield came at the goal but the Altona goalie made the vital defence mistake of clearing the ball across the face of goal, thus allowing the home side centre forward to force the ball into the net, letting Altona run out winners 2-1.

A continuation of this effort must ensure this side of an unbeaten season and ultimately the flag.

GOALS: Ron Smith 2.
BEST: Dennis Bartlett, unbeaten all day in defence proving that he is well on the way to being at his best once again; Ron Smith for his determination and excellent forward work completed under the conditions present; Barry Smith, for the way he stuck to his man so making him powerless as far as attacking was concerned.

B GRADE

B Grade, at home to Brunswick, who are on the bottom of the ladder, started this game as if it was they who wanted the wooden spoon.

With fumbling and lack of team work seeming to be the order of the day in the first half, two pieces of intelligent play, firstly from Terry Smith and later from Kevin Burgess, both resulting in goals, proved that if the side settled down the locals could be set for a good win.

Altona smartened up their efforts in the second half and attacked for most of this period, but only for poor goal shooting by the forwards, particularly Docker at inside right, there could have been a cricket score.

Final score was 6-0. Playing the top team next Saturday, Altona must settle down right from the start if they hope to really have a go at that flag.

GOALS: Burgess 2, Docker 1, Rielly 1 and T. Smith 1.
BEST: John Bartlett and Terry Woodcock.

C GRADE

C Grade played at home on Saturday, and until then were

undefeated, but on the day they met their match there Essendon, who beat the 10-4-3.

D GRADE

Playing with more determination and cohesion Altona won a hard grueling game against Greensborough.

With Max Hunter, Sel Ashman and Steven Buchanan making scoring opportunities for the forwards allowing Altona to run out winners.

GOALS: Ranger 4 and Ashman 1.

BEST: Hunter, Ashman, Buchanan.

UNDER 14

This game was played under trying conditions and being the cause of both the teams turning in a display of hockey.

However, Altona ran easy winners 2-0, which was a credit to the boys on the side.

GOALS: S. Cronin 2.
BEST: J. Bonavici and Cronin.

UNDER 12

Altona played away to Fairfield, which proved to be a very determined opposition.

Under very wintry conditions, the ground covered with water and mud, a very good display by the captain, Brian Smith, became the highlight of the game and was out a doubt the best play on the field.

Final scores were Altona 2, Fairfield 0.

GOALS: W. Duncan 1 and J. Trickey 1.

BEST: B. Smith and Smith.

SOCIAL

The dance held last Saturday was as fantastic as stated last week in the "Altona Star." Everybody went thoroughly enjoying themselves amongst the band and club spirit, along with the excellent band and novelties. Those who didn't turn out really missed a good night.

The social secretary wishes that this be taken as his personal thanks to all the members and their good ladies who assisted to make a night a success.

Next Saturday, July 11, barbecue will be held. Frank Ranger's after game. Please, all members turn up, and make the night another success.

The ladies auxiliary are that anyone who wishes to see "Lawrence of Arabia" contact Mrs. R. Studley, corner of Queen Street and Mellers Road. The film is good one and the night Thursday, July 23, shot suit everyone who has as yet bought tickets.

INTER-LEAGUE CHALLENGE

A challenge has been issued through the VDA for an Inter-League match between Altona and Melbourne.

The venue and date has to be set and it is anticipated that a large audience will be present. Proceeds of this match will go to the VRA Interstate Team's fund.

LOCAL SPORTING STARS

V.F.L.

South Melbourne rover **STUART MAGEE** was on target again last Saturday in the game with Melbourne.

He kicked three majors and was listed among the best for South Melbourne.

Footscray in their match against Hawthorn last Saturday kicked their lowest League score ever.

Out of a total of three goals **MERV HOBBS** kicked one and was again among the best players for his team.

SOCCER

BILLY RICE who plays for soccer team J.U.S.T., polled three votes on Saturday to place him in second position for the "Sporting Globe" Soccer Award.

With 12 points Rice is now one point behind joint leaders.—**STAN CLEGHORN**.

VIC. DARTS ASSOC. 1964 TEAMS CHAMPIONSHIPS

At the association meeting last Tuesday it was decided that the 1964 Teams Championships will be conducted on Saturday, October 31, and Sunday, November 1, 1964.

Teams will comprise of eight players, plus two reserves from each league.

The reserves may be used in alternative matches only.

Games to be played are eight singles, 501 straight start, double finish; four doubles, 601 straight start, double finish; one teams, 1001 straight start double finish. One point for each game won. The team with the highest number of points to be the winners.

INTERSTATE TEAM

It was decided that each League will submit the names of 12 players available for selection to play off in a Round Robin, from which the Victorian team will be selected to represent Victoria at the 1965 Australasian Championships to be held in Sydney during the Easter week-end.

This Round Robin will be conducted during the month of February, 1965.

As the cost of sending a team to Sydney is high, it has been suggested that each League sponsor two players—the cost of each player is approximately £35. If each of the League's adopts this plan the association will only be responsible for the two delegates, badges, pennants and ties.

STANDARDISATION OF RULES

Another suggestion for the Leagues to discuss is the standardisation of playing rules. If this suggestion is adopted much confusion will be eliminated.

FINANCE COMMITTEE

A meeting of the Finance Committee will be held at the City Bowling Club, Flagstaff Gardens, next Tuesday night to make arrangements for the 1st VDA Ball, to be held on Friday, November 13 or 20.

They will also discuss means and ways of raising finance for future projects.

The committee has been given authority to proceed with any fund raising idea without reporting back to the full committee.

CAMOUFLAGE FOR QUARRY

A new resident of the Shire has suggested a scheme for beautifying the quarry which is an eyesore in Millers Road.

Mr. A. H. Storeas envisages development of the quarry as a amphitheatre and garden.

His suggestion to Altona Council has been referred to the Parks and Foreshore Committee.

In a letter to the council Mr. Storeas wrote—

"As I am now a resident of Altona Shire, I would like to put forward a suggestion to further your efforts in creating parklands for the benefit of the people. I would like to see that quarry on Millers Road turned into a amphitheatre and garden with pools of natural water flowers, and rushes placed in crevices and floodlit on special occasions. This could be a beautiful sight also a useful site for the community for large gatherings, such as any festival, it could also be let out to outside people who wanted a larger area to gather.

"I feel that this could do something for Altona and it would be unique to praise a quarry instead of showing its ugly state. If this is achieved you will see the beauty as you drive past."

Miss Laverton Quest

Miss Dart Club (Miss Shelia Atkins) is holding a dance on Saturday, July 18, at the Football Pavilion. Admission is gents 3/- and ladies 1/- and a plate. This should be an enjoyable evening, with an excellent band. All are welcome.

Percentages Will Be Vital

With the standard of the top five teams almost on a par, percentages are likely to play a big part in the stabilising of the final four at the conclusion of the home and home games.

Werribee South, previously thought to be back to near top form, were easily defeated by I.N.F. and, due to Farm's mammoth score against Laverton, have dropped to fourth place on the ladder.

INF have the points on the board but their percentage is not on the same level as the four. Farm realising the necessity for a high percentage have now made Newport's task a little harder and although many think Farm could be the side to drop out if Newport are to make it, a slump by any of the other three sides could prove fatal.

More will be known after Saturday's round, however, as Newport and Metro. Farm meet at Newport. The home team have the enthusiasm and the incentive to win and above all, in games of such importance, they are at home.

Saturdays games on grounds of first named clubs (with

likely winners in black capitals) are as follows—
WERRIBEE SOUTH v. North Melbourne.

ALTONA v. Williamstown Rovers.

NEWPORT v. Metro. Farm. Laverton v.

CENTRAL ALTONA. I.N.F. have the bye.

WHEN THEY LAST MET

On May 9, this year—
Werribee South 14.12.96, d. North Melbourne 9.16.70.
Altona 20.31.151, d. Williamstown Rovers 2.3.15.
Central Altona 12.16.88, d. Laverton 4.4.28.

Metro Farm 6.14.50, d. Newport 6.7.43.

DID YOU KNOW?

Altona have beaten Rovers 20 times out of 30 contests between the two teams since 1952. Rovers last defeated Altona on June 9, 1956, 15.17.107 to 11.5.71.

Centrals and Laverton have met four times, Centrals have won three and there has been one draw. On June 29, 1963, the teams played the draw, the scores being Laverton 9.9.63 to Centrals 8.15.63.

Newport have defeated the Farm on 12 occasions out of 21 battles since 1956. They last defeated Farm on September 7, 1963, 8.16.64 to 7.3.45.

Strong Defence Guides I.N.F. to Great Win

I.N.F. redeemed themselves before a large crowd at Chirnside Park on Sunday by defeating a disappointing Werribee South by 31 points after leading by nine goals at three-quarter time.

South began very strongly and their solid defence was giving them the initial advantage.

I.N.F. were fumbling badly and were letting their opponents in for easy opportunities. However, I.N.F. gradually moved into step and soon menaced South.

Ken Munyard opened the scoring with a goal to South, but was hardly sighted thereafter. INF then strode into top gear and after peppering their goal for 10 minutes eventually goalied. Kevin Travers, although diminutive for a spearhead, opened up INF's attack and soon made himself known by "notching" two goals. Brian Smith was dominating the centre for INF and was leader of a clear winning division.

George Martin and Robert Dowling had control of the wings and the latter's elusiveness and pace gave INF great drive.

Play in general was scrappy but good passages of play were numerous. South's defence was constantly under pressure in this term and Robert Dove had his share of kicks at centre half back, whilst on their forward line Brian Hayes showed patches of clever football.

INF went into attack almost from the beginning of the second term and a goal to Bill Miller gave them a handy break.

At this stage they were making "backs" of South.

South tried hard to get closer to INF but were lacking in determination and at this early stage INF appeared the better side. Ian Dent battled tirelessly at full back for South and his stolidity and excellent kicking repeatedly eased the pressure. The duval of the day was being played by Robert Dove (South) and Peter Shanahan (INF) where both players were playing unusually wide apart for a half back-half forward battle.

South's lack of intestinal fortitude was obvious on many occasions and this assisted their opponents who often burst fearlessly through the packs with little opposition. Chief exponent of this style was INF centre half back Stan Sandford who again dominated INF's defence.

At half time South were well down and needed a complete reversal of form to retain the lost initiative.

As the third quarter progressed INF's lead increased and they were making South look like last year's wooden-spoons instead of premiers.

Sandford's dominance at half back was providing the large crowd with many thrills. His tear through tactics, safe marking and wonderful clearing kicking either foot made South's task a gigantic one. His counterpart Robert Dove was also in everything but was not supported near as much as Sandford by his other defenders. Five goals to one in this term to INF gave them an almost unbeatable lead and only a miracle, it appeared, could rob them of the four points.

Play in this term was not of particularly high standard and often it was hard to retain one's interest in the battle.

At three quarter time INF held a winning margin, whilst South, with three below par quarters behind them, could only fight it out to the end. South commenced like a "shot out of a gun" and soon registered a major. They were playing with more purpose and took to heart the words of their coach, Andrew Gouloupoulos at the interval.

Gouloupoulos himself lifted his game whilst John Tyquin also rallied in attack.

Peter Allison battled solidly in defence and Robert Dove was breaking even with Peter Shanahan. Their petting block Stan Sandford remained calm in INF's defence but could not cope with the bombardment that came his way.

South added four goals in this term but the start they had given INF was too great and the latter ran out good winners.

Alt. in poor display against North

Altona scored an unimpressive victory over North Melbourne Districts in a below-standard game before a large attendance at Grant Reserve on Sunday.

Slow to get going, Altona did not appear to be "with it" early in the game and were fortunate to hold their opponents scoreless in the first term. Only a solid defence led by Graham Brennan and Ian Harris enabled them to hold their good position. After their slow start, Altona gradually stepped up the pace, but were obviously missing some of their strong players who were absent from their line up.

After half time it was all Altona and, had they improved their kicking, their winning margin would have been greater. Dal Yorke once again turned in a brilliant display of ruck work and he was capably assisted by the clever roving of Bill Devereaux.

FOOTBALL CLUB GOSSIP

ALTONA JUNIORS

This Sunday the Juniors will play Newport at Newport and the bus will leave for the N' vport Oval at 1.30 p.m. Junior Circle winner this week was ticket No. 01.

The committee of the Altona Junior Football Club would like to thank Mr. and Mrs. Shaw for the use of their property for the barbecue, also the following people who helped the club with the bottle drive—Mr. Smart, depot for bottles; Mr. Trembath and Mr. Joiner, transport; Mr. McLean, bags for the collection of bottles.

LAVERTON

Rover Ross Cheetham, who has been playing consistently well all the season has taken the lead in Laverton's "Gillett Award." Close behind in second place are defenders Graeme Jewell and Nevill Bleakley.

Progressive voting is as follows—

12 R. Cheetham
10 G. Jewell, N. Bleakley
4 A. Fraser, T. Sewell, J. Maloney, J. Hoult

Committee members are reminded of the next meeting which will be held on Wednesday, July 15, in the club rooms at 8 p.m. sharp.

MICK CRAIG 12 GOALS FOR FARM

Mick Craig left to near the leaders in the goalkicking award when he kicked 12 goals for Metro. Farm when they massacred Laverton at the Soldiers Reserve on Sunday.

Knowing percentages are important Farm went for the "doctor" from the outset and had 14 goals on the board by half time. At the same time Laverton had managed two but were being completely out classed. Mick Craig was dominating at full forward for the Farm and gave them a big advantage with his display.

Laverton. Jack Bryans showed that he is on the way back to form whilst Neil Gillett again dominated many aerial duels. Graeme Jewell and Ross Cheetham strove valiantly for Laverton, but were up against tough opposition. Craig's performance at full forward with 12 goals gave him 21 goals in two weeks to take him up among the leaders in the senior goalkicking award.

NEWPORT CONTINUE WITH CLAIM FOR FINALS

Having complete control of the Situation Newport had little trouble in defeating Williamstown Rovers at the Strand Reserve on Sunday.

Rovers failed to score in the opening quarter, but Newport did not race away to a very big lead. The game was of poor standard and Newport were not at top pressure, even though percentage is important to them. Rovers, however, kept Newport's minds on the job and their never say die tactics kept them within respectable distance of their opponents at half time. Newport applied more pressure after the interval and soon Rovers began to fall back. Barry Johnston, in

splendid form, was in everything for Newport, whilst their defence was again solid. Alan Harris was ever reliable at full back and he received plenty of co-operation from Ken Withers. The visitors peppered the goals in the last term and the eight goals scored by them gave them a decisive victory. Consistent Ron Dingey again gave a solid performance for the Rovers, whilst burly Terry Matthews gave Newport trouble often during the game.

CENTRALS SHOULD RISE TO THIRD PLACE

Central Altona should take another step towards gaining second place by defeating a disappointing Werribee at the Soldiers Reserve on Sunday.

Werribee have been unimpressive in recent games and to be worthy of their place in the four they will have to perform creditably in this game. Central always take this clash seriously and rarely let up until the final bell. Their goal to goal line is in good form, whilst their rovers headed by Mick Martin, are scouting well. On form Werribee could not be selected and Centrals should score another victory.

Games on Sunday on the grounds of first named clubs (with likely winners in black capitals) are as follows—
Laverton v. WERRIBEE SOUTH.
I.N.F. v. Williamstown C.Y.M.S.
Newport v. ALTONA.
Werribee v. CENTRAL ALTONA.

NEW COURSE FOR YOUTH LEADERS

A full time Professional Youth Leadership Training Course of two years duration will be commencing in 1965. The course open to both men and women will culminate in the awarding of a Diploma of Youth Leadership from the Social Welfare Council.

officers of the Social Welfare Department and with Dr. Duran who was formerly in charge of physical education at Melbourne University. Mr. Waters hopes to present a report on requirements for a youth organiser at the next meeting of the Staff Committee.

It is anticipated that trained leaders may be employed in church youth departments, community and other youth clubs, playgrounds and play centres.

An invitation to organisations to sponsor a student with or without financial assistance has been referred by Altona Shire Council to the Staff Committee for consideration.

It is the desire of Altona Council to appoint a youth organiser.

Shire Secretary, Mr. J. W. Waters, considers the course will fill the void which now exists in youth training facilities. Following discussions with

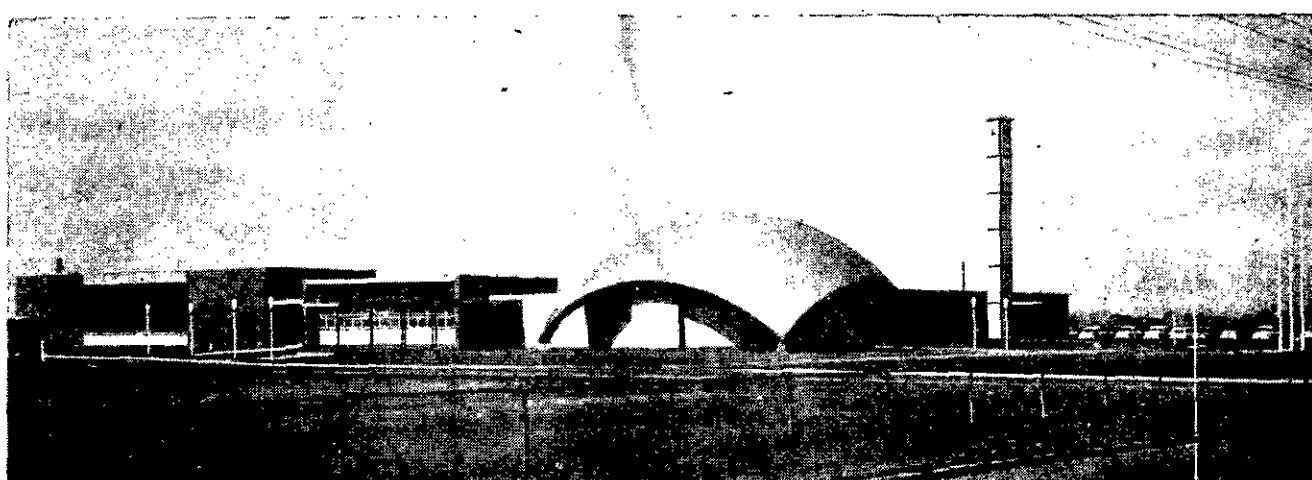

With this course it appears that in two or three years from now there will be a reservoir of trained personnel available for youth organisation work.

BEAUTY DEMONSTRATION

A beauty consultant from Cyclax will demonstrate cosmetics and their use at an evening arranged by the Mothers' Club of Altona West Primary School.

The demonstration will commence at 8 p.m. on Thursday, July 23, at the school in Belmar Avenue. Supper will follow.

Australia Wide Publicity for Altona

This photograph showing the Shire Offices, with the one below, appeared on a full page article in the current issue of an office and data equipment magazine known as "Modern." The magazine is produced in Sydney and has a Commonwealth-wide circulation and features new ideas in office equipment and management. Incidentally, Altona Council is about to introduce its third machine similar to the two below—the two Burroughs Typing Sensimatic accounting machines located in the Altona Council's new offices. Mr. J. W. Waters (Shire Secretary), centre, and Mr. H. R. Trueman (Assistant Shire Secretary, right), are seen discussing the accounting procedure with Mr. P. G. F. Huston of Burroughs Limited.

Our thanks to Bert Miller and Keith Lawrence for doing the cards and scrapes, and so letting president and captain and secretary enjoy the day.

Visiting presidents thanked Werribee Club for an enjoyable day.

GIVEN 14 DAYS TO CONSTRUCT DRAIN

Altona Shire Council has given a resident of Hearn St., Altona East, 14 days to construct a drain leading from his house to the underground drain.

Inspection of the property by the Senior Health Inspector, Mr. J. Mellors, showed that the premises are not properly drained in that all sullage and storm waters are not connected to the underground drain.

The resident has been instructed to construct a drain in conformity with council's requirements under the Housing Act and Uniform Building Regulations.

FATHER AND SON WELFARE
MOVEMENT OF AUSTRALIA

Every parent thinks of his own children in the light of the future. Most of us have those moments when we feel so inadequate to help them.

Every young person thinks about sex, about relationships with others, about the standards set in his own home, and thinks seriously about the future.

There are no doubt many times when we wonder how we can help our children to develop a good and wholesome attitude towards matters relating to sex. You will be glad to know that the Altona High School 'Parents' and Citizens' Association has arranged for the Father and Son Movement to visit Altona.

These carefully planned presentations will be of practical and lasting help to you and your children. The sessions will be held in the Civic Hall, Civic Parade, Altona.

COST

To help meet the cost, admission will be by a minimum donation of 4/- for adults and 2/- for children.

To help us it will be appreciated if you can be in your seats early so that we can start promptly.

NOMINATIONS FOR
MANAGEMENT
COMMITTEE

The following nominations were received on official club nomination forms at the time of closing on June 15, 1964—
PRESIDENT: F. Flett.
SECRETARY: W. Spence.
VICE PRESIDENT: C. Newman.
TREASURER: No nomination.

MEMBERSHIP SECRETARY: G. Stirling.

The following members have been nominated for the management committee—
I. Northage, C. Thompson, H. Walker, S. Rowe, H. Ford, R. Caines, K. Fox and H. Gibson.

The first meeting of the new management committee will be held on Friday, July 31, 1964, at 7.40 p.m. in the Homestead, Queen Street, Altona.

NOTICES OF MOTION

MEMBERS ANNUAL
SUBSCRIPTIONS

"That for a three year period commencing from financial year July 1, 1965, to June 30, 1968, the annual subscriptions for ordinary and provisional members be £5 per year.

"Members receiving old age pension will be exempt from this increase and will only pay £1/10/- per year until June, 1968, when annual subscriptions for old age pensioners should be reduced to 5/- per year.

"That the management committee be authorised from the Fifth Annual General Meeting to convene a special membership meeting in November 1964 to decide this proposal.

"This resolution with any amendments thereto be posted to all ordinary and provisional members at least seven days before such meeting in conformity with rule 34 Clause (b) of the club constitution."

NOMINATION AND ELEC-
TION OF MEMBERS—PRO-
POSED AMENDMENT TO
RULE 20.

"In the event of any applicant for membership of the club being rejected by a majority vote of the management committee the proposer of the applicant can have the case reviewed by obtaining the signatures of 50 male financial members to the club official membership appeal form.

"This appeal form must be obtained from the secretary and can be placed on the club notice board by the signed authority of the management committee for the purpose of obtaining the necessary signatures.

"A period of one calendar month will be allowed to obtain the 50 signatures when the appeal will then be lodged with the management committee to convene special membership meeting within 21 days to make decision upon the appeal.

"The management committee will not engage in correspondence with anyone whose application for membership has been rejected.

ASSOCIATE SECTION:
4th ANNUAL GENERAL
MEETING

The Associate Section's 4th Annual General Meeting will be held on Monday, July 20, at 7.45 p.m. in the Church of England Hall, Queen St., Altona.

Nominations for election to the associate's committee for 1964-65 will be accepted at the meeting provided the nominee is willing to accept nomination.

This is our important meeting of the year and we request a large attendance.

TIME MARCHES ON

Time marches on and you probably have not paid your annual subscription for 1964-65. Thought we would give you a reminder before your time runs out and we are reluctantly compelled to delete your name from the membership lists.

Please get your annual subscription mailed to us without delay, more than 200 members have paid so far.

FINANCE APPEAL
REPORT

Despite bleak weather conditions on Friday evening, 20 members comprising collectors, canvassers and committee members met in the Homestead for the Report Back Meeting on our present three month effort to raise £5000 by the end of August.

Six of the 10 canvassers who attended the meeting gave written and verbal reports on the result of a membership canvass of 230 members.

The meeting agreed that excellent job had been done by our small band of canvas

WERRIBEE RIFLE CLUB NEWS

Once again the weather treated shooters rather harshly last Saturday. Shooting over the 900 yard range the shooters experienced varied conditions from cold windy, squally rain and dull light, with at times bright sunlight. However, these conditions are a challenge to riflemen who endeavour to overcome them.

NEXT SHOOT

Next Saturdays shoot will be over the 700 yard range. As from July 1, 1964, all targets were changed to white with a black aiming mark. This replaces the ochre and grey colours used for quite a number of years. The annual general meeting of the club will be held in the club rooms on Tuesday, July 14, 1964, all members are requested to attend.

SURVEY ON OFF-STREET PARKING

A "feasibility survey" on the provision of off-street car parking facilities in the vicinity of Pier Street will be presented by the Shire Secretary, Mr. J. W. Waters, at the next meeting of Altona Council.

This follows the form of petition from business people in Pier Street and nearby commercial zones being presented to Altona Council.

The petition suggested a conference with councillors to discuss the acquiring of appropriate land for off-street parking facilities.

The matter was referred to Mr. Waters to make a comprehensive report with a view to having joint discussions between representatives of the shop keepers and council in due course.

NO EXTRA POLICE YET

Additional police cannot be posted to Altona, however, the matter will be kept under review.

This is the reply received from the Chief Secretary's Department following a deputation from Altona Shire Council which discussed police strength in Altona with the Assistant Chief Commissioner of Police.

The Chief Secretary, Mr. Rylah, considers the recent allocation of a patrol car to provide an additional 24 hours a day patrol service to Altona and nearby districts will considerably increase the protection for citizens.

The council resolved that the Commissioner be asked to ensure frequent visits by the patrol car and a further appeal for revue of the shortage of police in Altona.

CROSSINGS FOR RAIL LINE IN PIER STREET

Pedestrian crossings will be provided on both sides of the level crossing in Pier St., Altona.

Both foot crossings will be constructed by the Railways Department, which, however, will only bear the cost of the pathway on the west side.

The cost of the other will be borne by Altona Council. The Railways Department considers the crossing on the west side will be of benefit to rail patrons and the other will not.

The council considers both crossings necessary and agreed to pay £230 for the cost of constructing the pathway on the east side.

CLASSIFIED ADVERTISEMENTS

THANKS

ROY CRICK, M.L.A., and Cr. G. den DULK wish to thank the Grant State Electorate Council, Branch Officers, members and supporters of the AUSTRALIAN LABOR PARTY for their hard work in the 1964 State Elections.
To the electors whose renewed confidence ensured his return to Parliament, Roy Crick expresses thanks and again pledges to serve unsparingly the interest of all the people in the Electorate of Grant.
WE WISH to extend our sincere thanks to all friends and relatives for the many kind thoughts we have received on the birth of our daughter. HELEN and BILL MORTON.

PROPERTY KNOW HOW

Another in the series of HOW, WHICH, WHY, WHEN, WHERE, of Property Buying and Selling by Frank J. Foy, General Secretary, The Real Estate and Stock Institute of Victoria.

In assisting home seekers to compare the benefits of various properties, an Institute member has suggested the following "homehunter's Check List."

This is a list of the benefits of those properties you have inspected, one of which could be your final choice—

- Address.
- Estate Agent.
- Full Price.
- Less Value of Carpets, etc.
- Net Price.
- Deposit.
- Finance Available.

In the following list, the agent suggest award points from 1 to 10 according to the manner in which that particular aspect of the property measures up to your requirements. It is not suggested that these are in order of importance. The order of importance is not necessarily the same for every home seeker.

This "exercise" may help you to evaluate the benefits of one property in relation to another when you are having difficulty in making up your mind between two or three houses—

- Construction.
- State of Repair.
- Land size and garden.
- Bedroom accommodation.
- Living space.
- Standard of fittings (cooking, heating, built in furniture, etc.).
- Transport.
- Proximity to school, (shops, etc.).
- Services (roads, sewer, etc.).
- Neighbourhood.
- Total (showing how this property rates as a percentage).
